Everything seems okay.

Settings

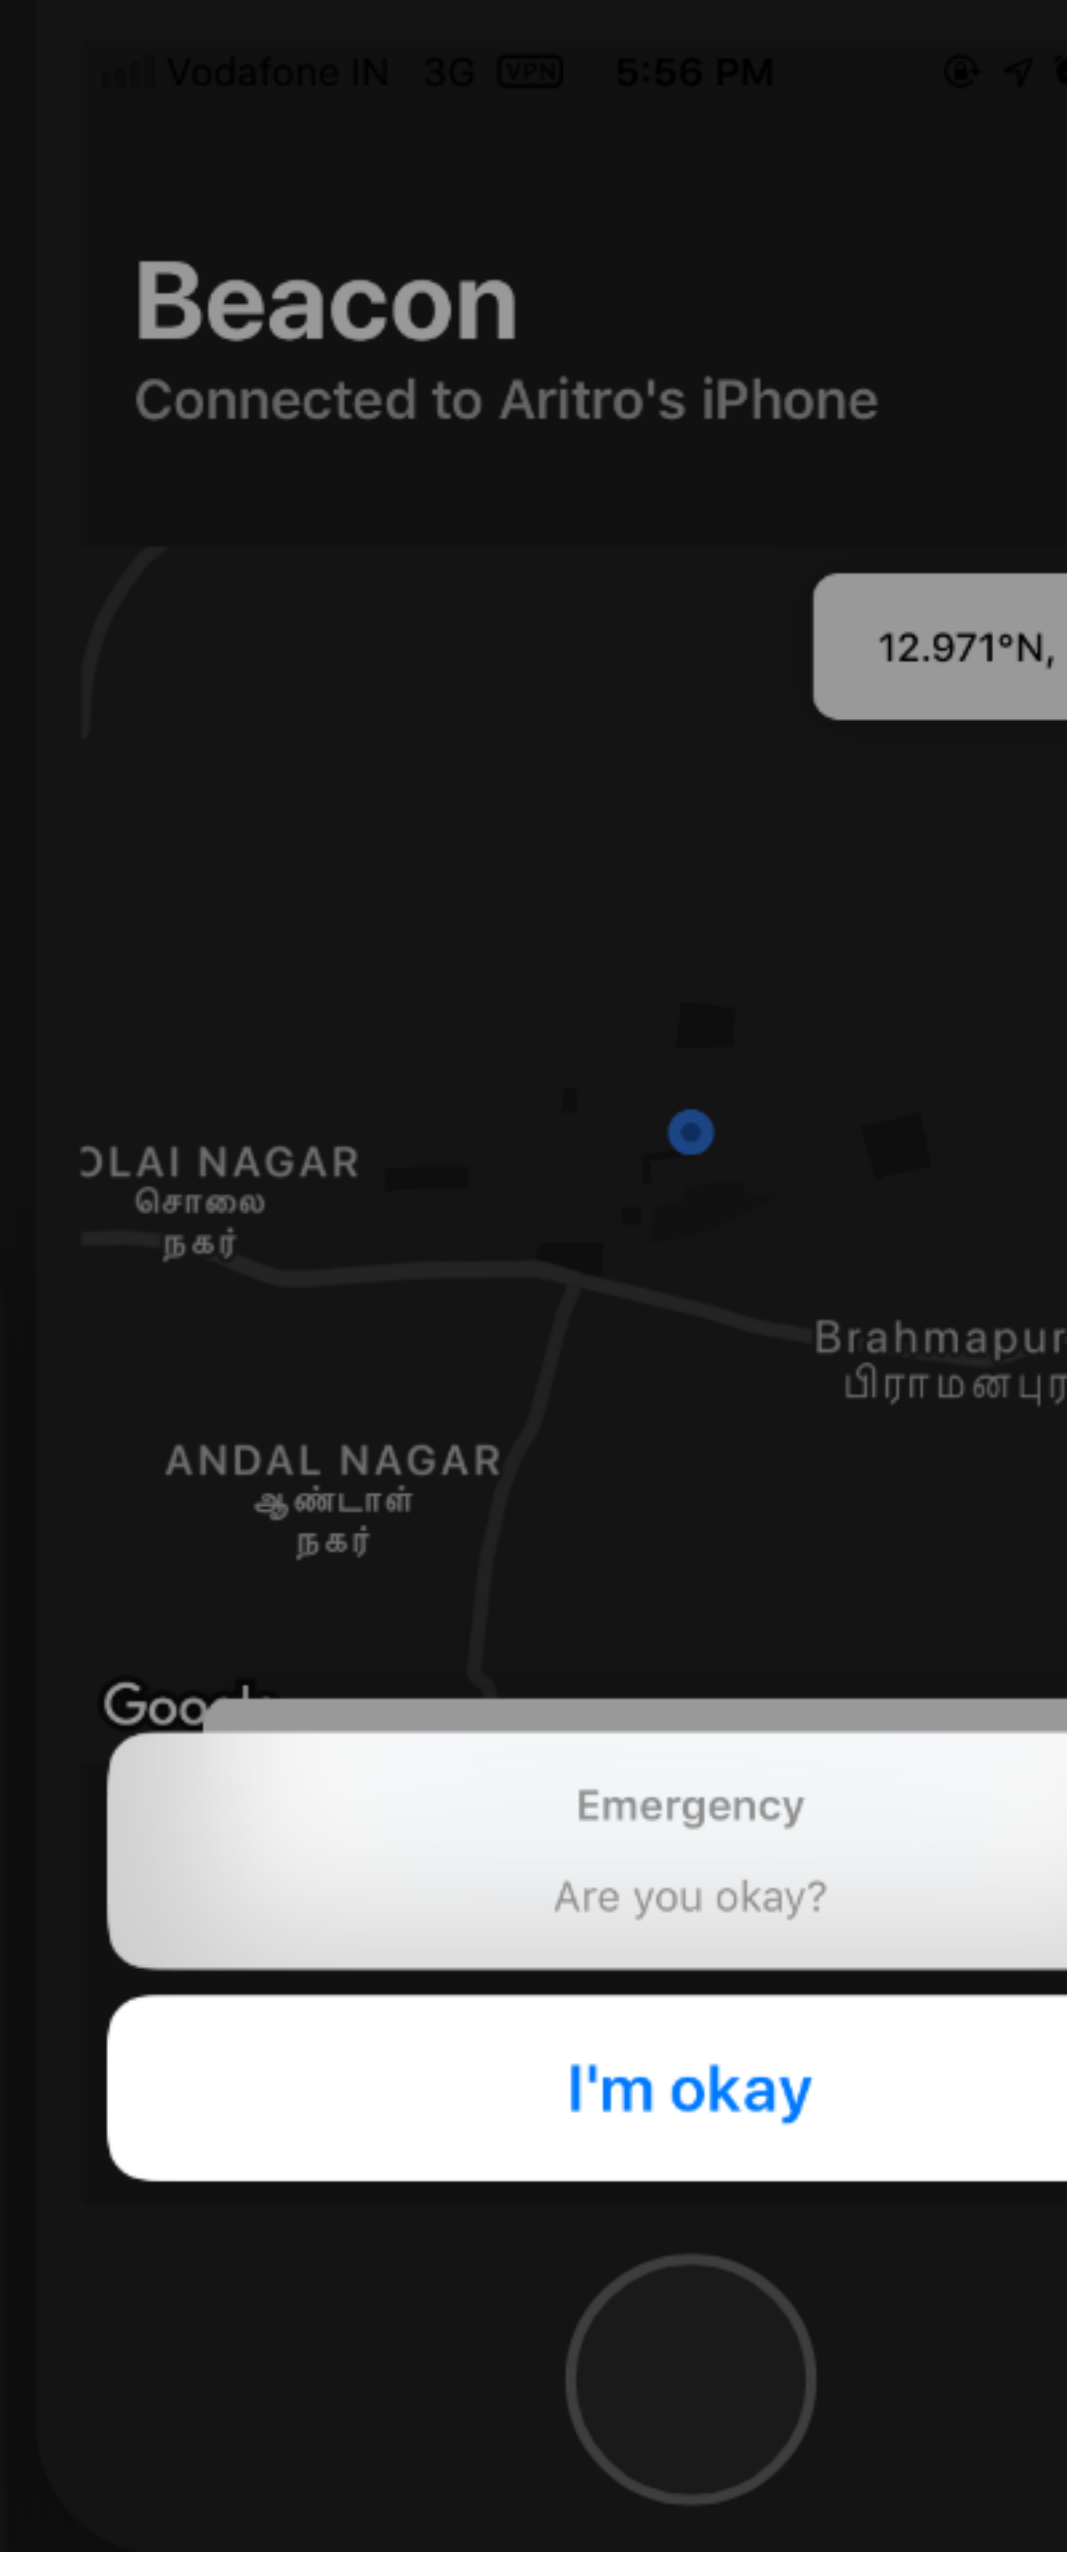

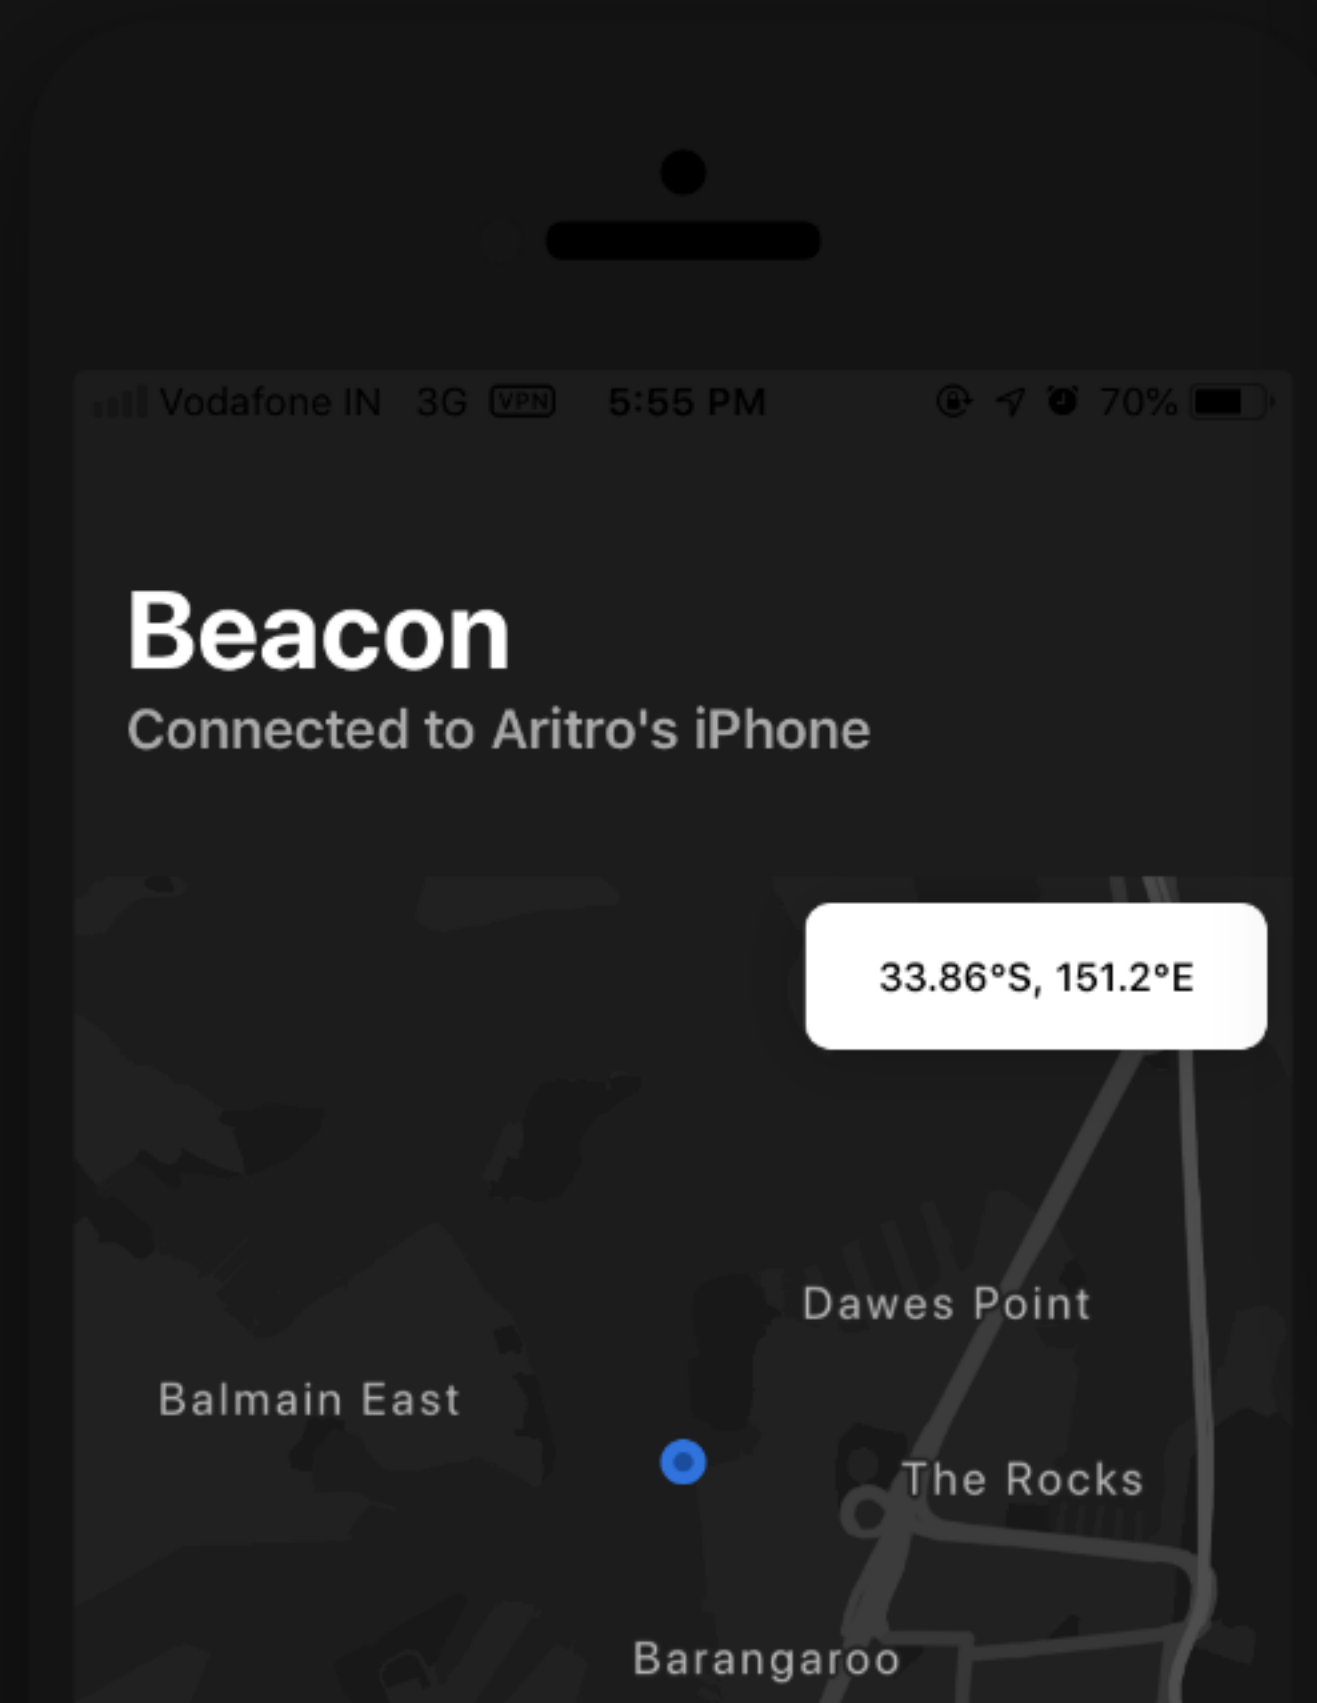

Fully Standalone.

Works without an internet connection.

Works with an internet connection.

Realtime Data.

Faster than your car.
Life-saver.

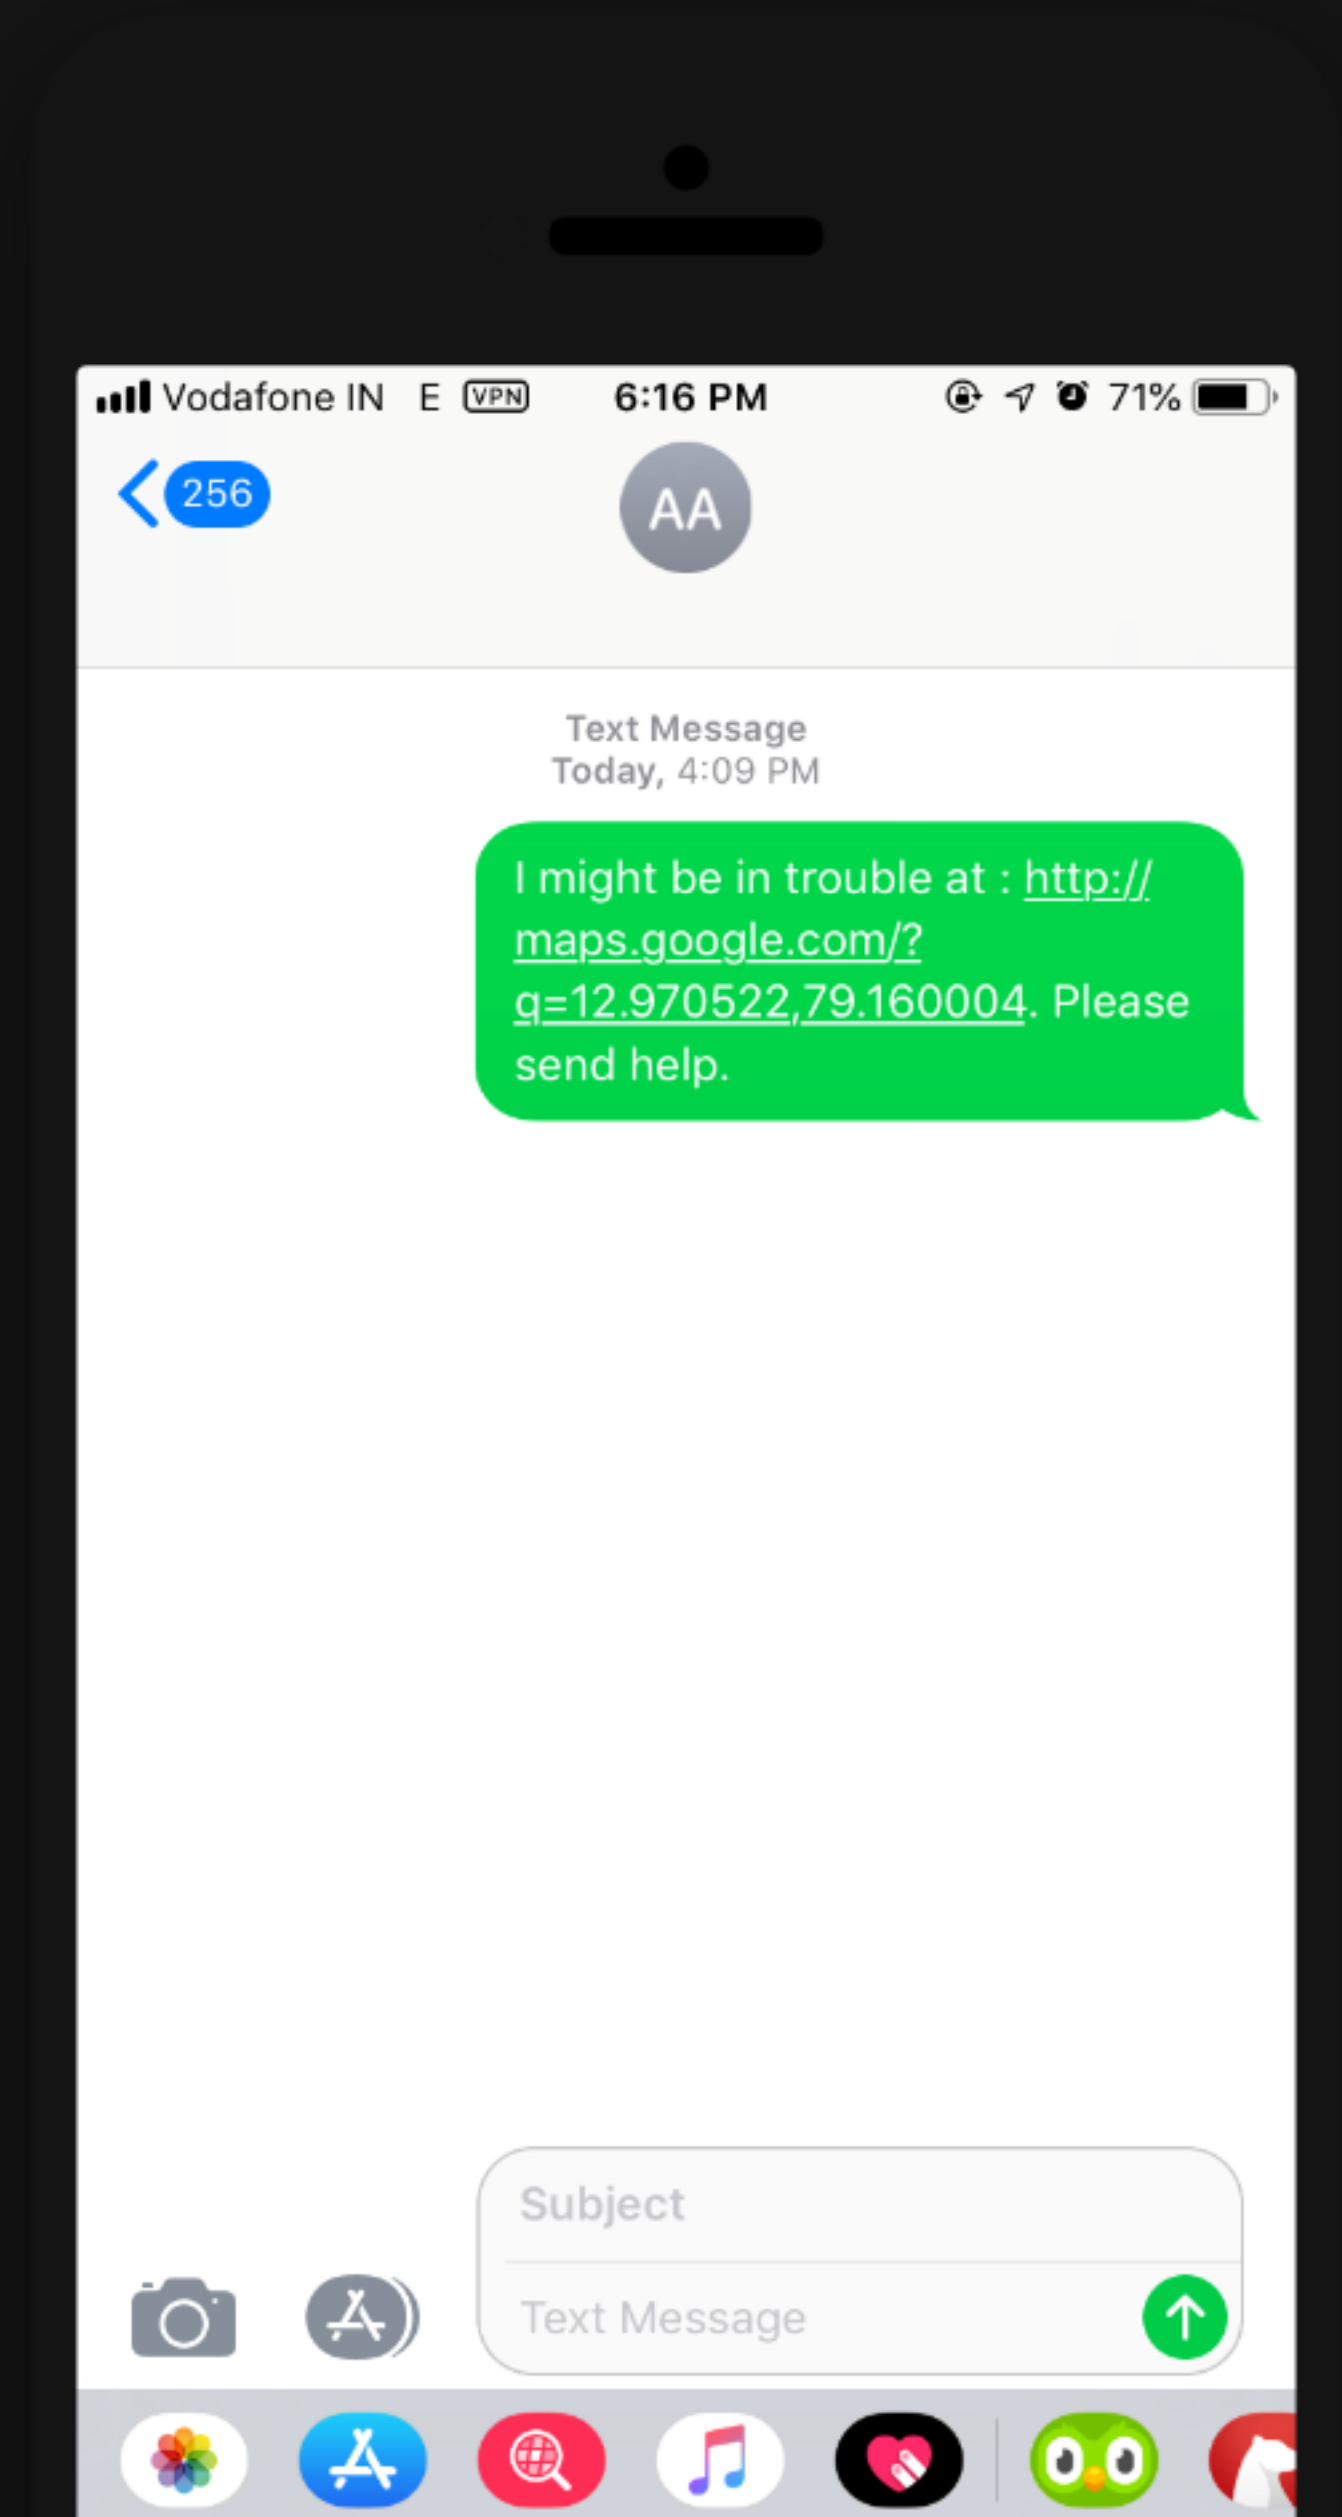

Customizable.

One size fits all.
Even your helicopter.

Realtime Data.

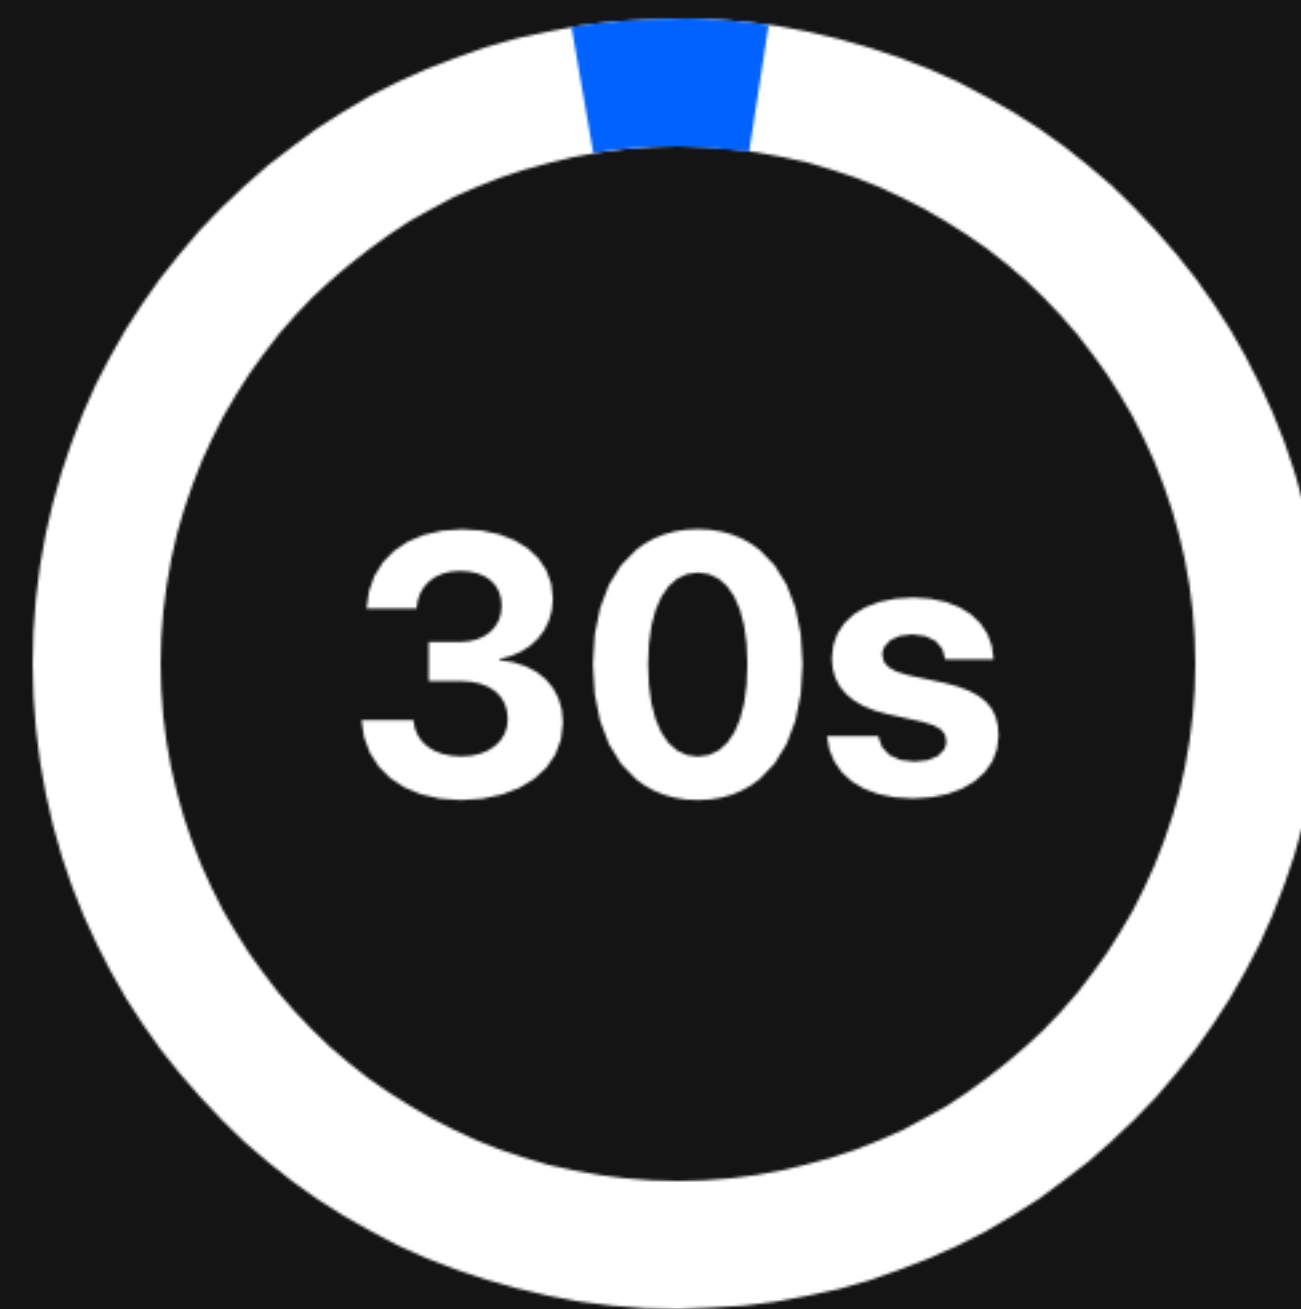

Faster than your car.
Life-saver.

Our response time.

A little bit less than the 18 mins.
A small try from our side.

Nearest Hospital.

We'll contact them in any emergency.
Just hold on.

Up in the skies.

Even faster with 4G.
Stronger. Sturdier. Safer.

with IBM Cloudant.

Medical ID support.

The doctors will know.
You just rest.
